### Purchase Macsome Pandora Music Downloader for Windows

#### Quick Link:

To learn more and download the latest version of Macsome Pandora Music Downloader for Windows, please visit to its homepage:

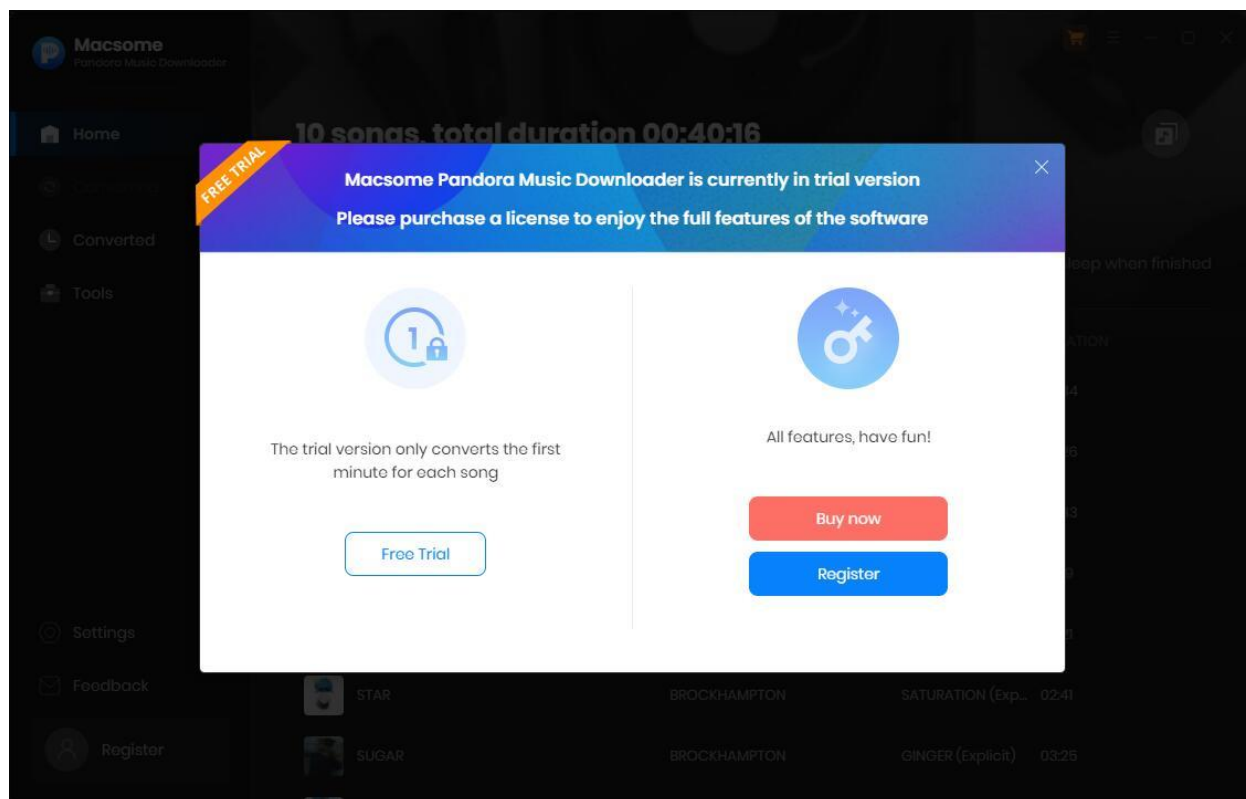

❖ <https://www.macsome.com/pandora-music-downloader/>

To buy a license key for Macsome Pandora Music Downloader for Windows, please visit its online store:

❖ <https://www.macsome.com/pandora-music-downloader/buynow.html>

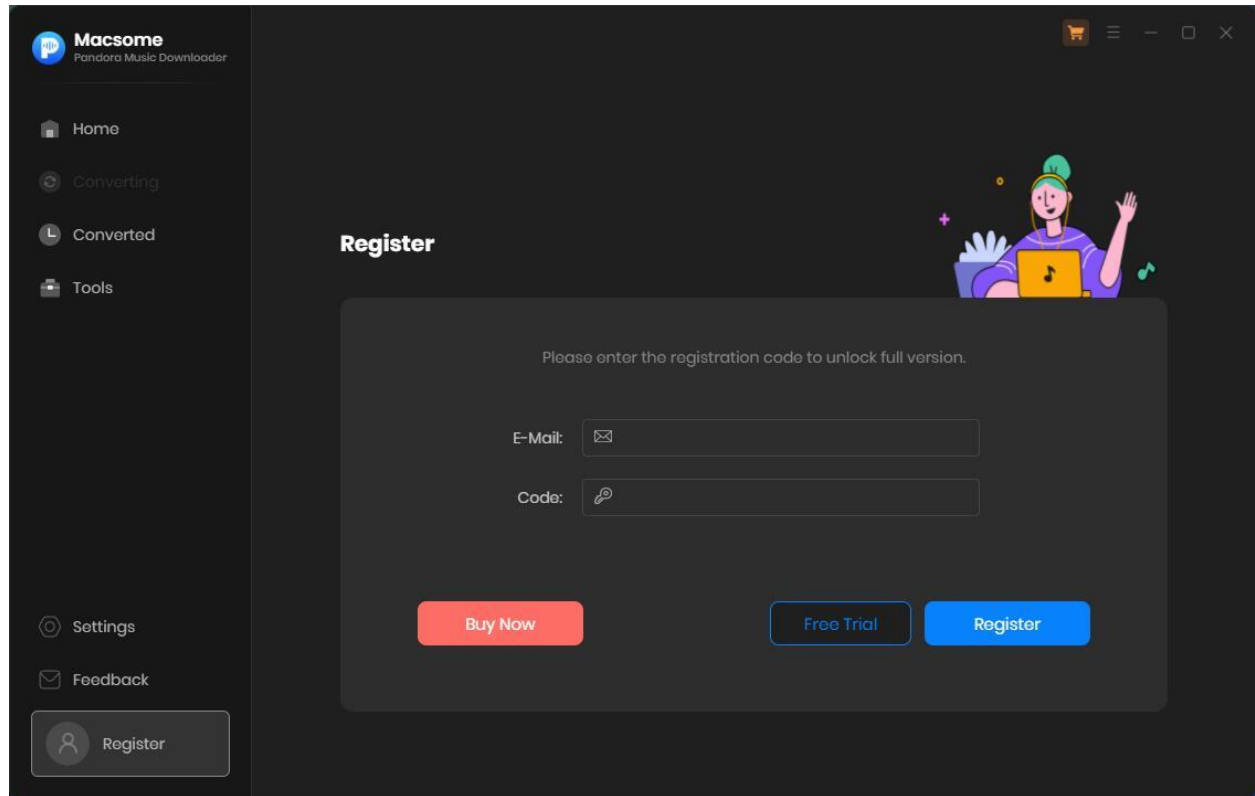

#### 1. Why should I buy Windows version of Macsome Pandora Music Downloader?

The free trial version of Macsome Pandora Music Downloader enables to convert the first one minute of each song. After you purchase this product, you will receive your Registration key to unlock the trial version limitations.

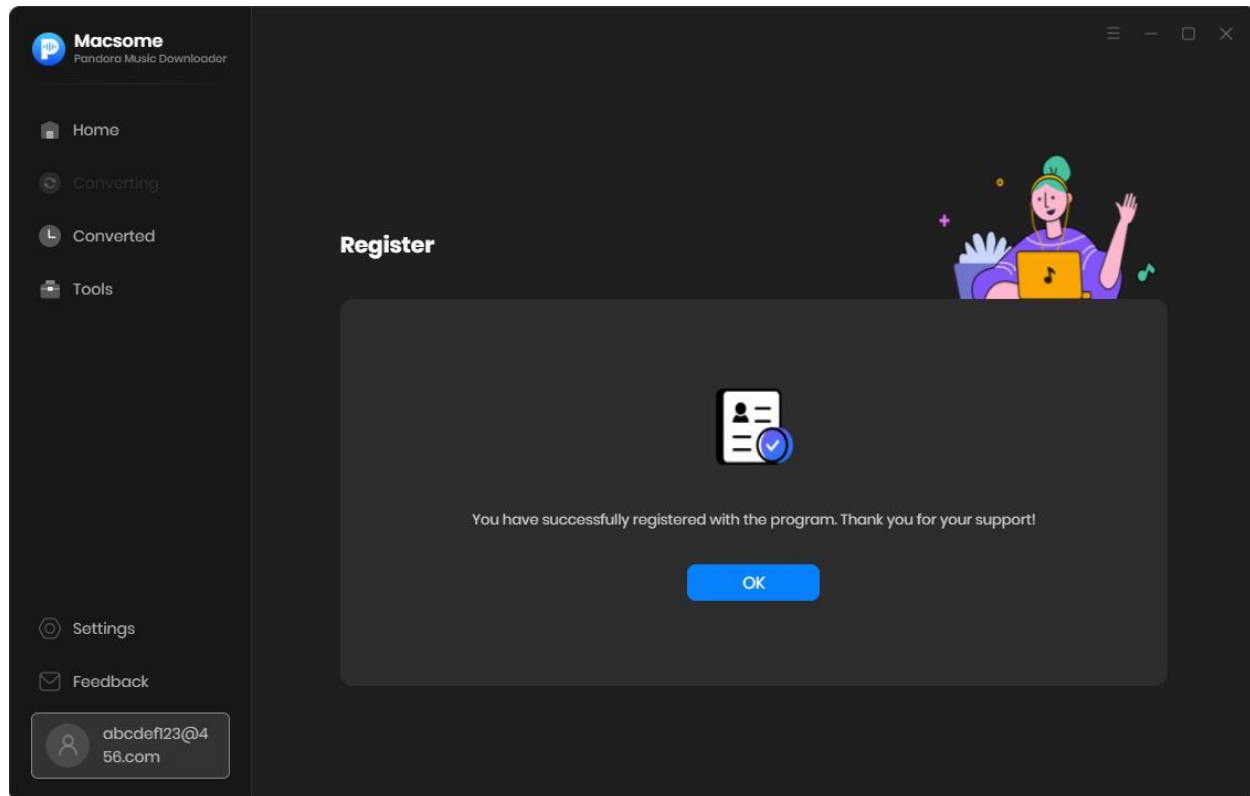

## Register Macsome Pandora Music Downloader for Windows

**Step 1.** Run Macsome Pandora Music Downloader on Windows PC. You can simply click the **"Register"** icon on the left to open the registration window or click **Menu** button and **"Register"** to open the registration window as below.

**Step 2.** Copy and paste the registration Email and code you received into the pop-up registration window, then click the **"Register"** button.

**Step 3.** After finishing the Registration, the limitation of the trial version will be removed.

**Note:** The registration info is case sensitive. And, please do not add blank at the beginning or the end of the word. Make sure both the Email address and key code are the same as what we provided in the confirmation email after purchasing the program.

1. Make sure your computer is connected to the Internet.
2. We suggest you should just copy & paste the Registration information into the pop-up dialog.
3. Make sure both Registration Email and Registration key are provided by our company after purchasing. If you have not paid, please click the “**shopping cart**” to get a license.

# Installation & Interface

- Installation
- Main Interface
- Menu
- Language Bar
- Converting Interface

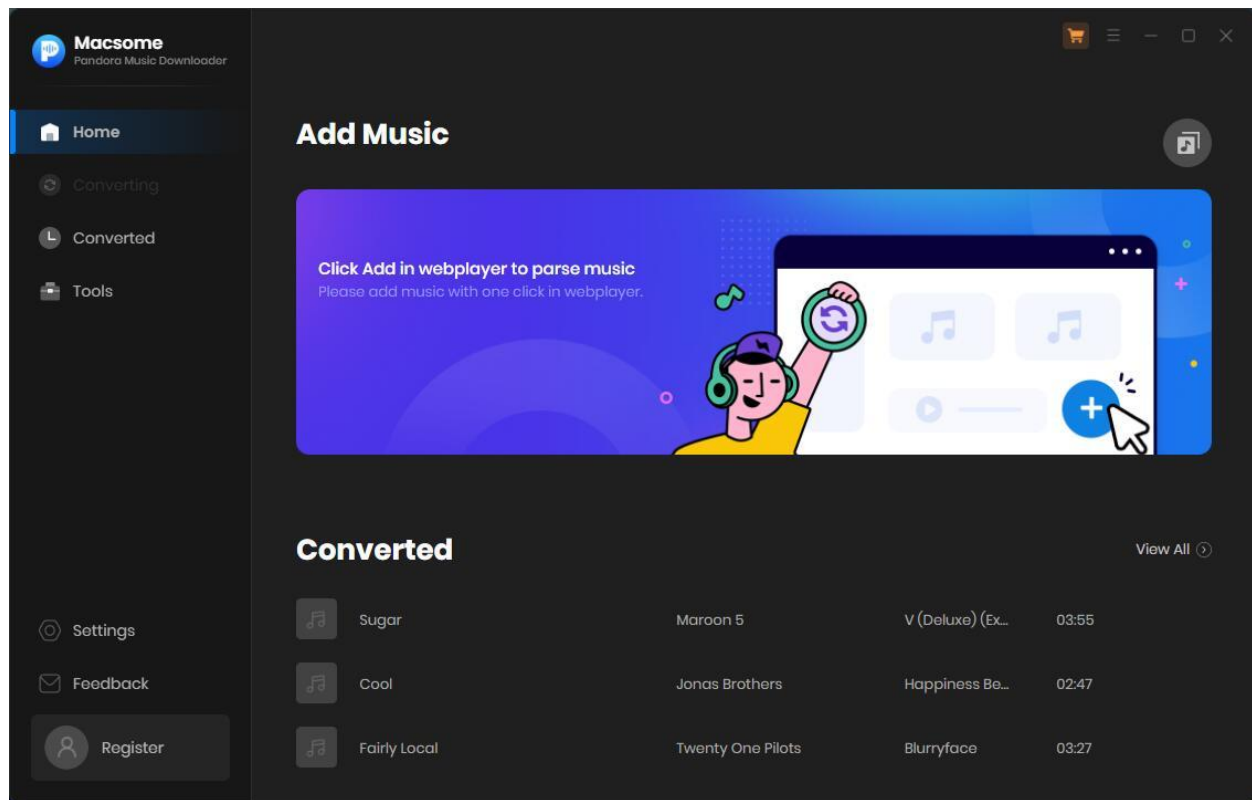

## Installation

To install this product, please follow the steps below:

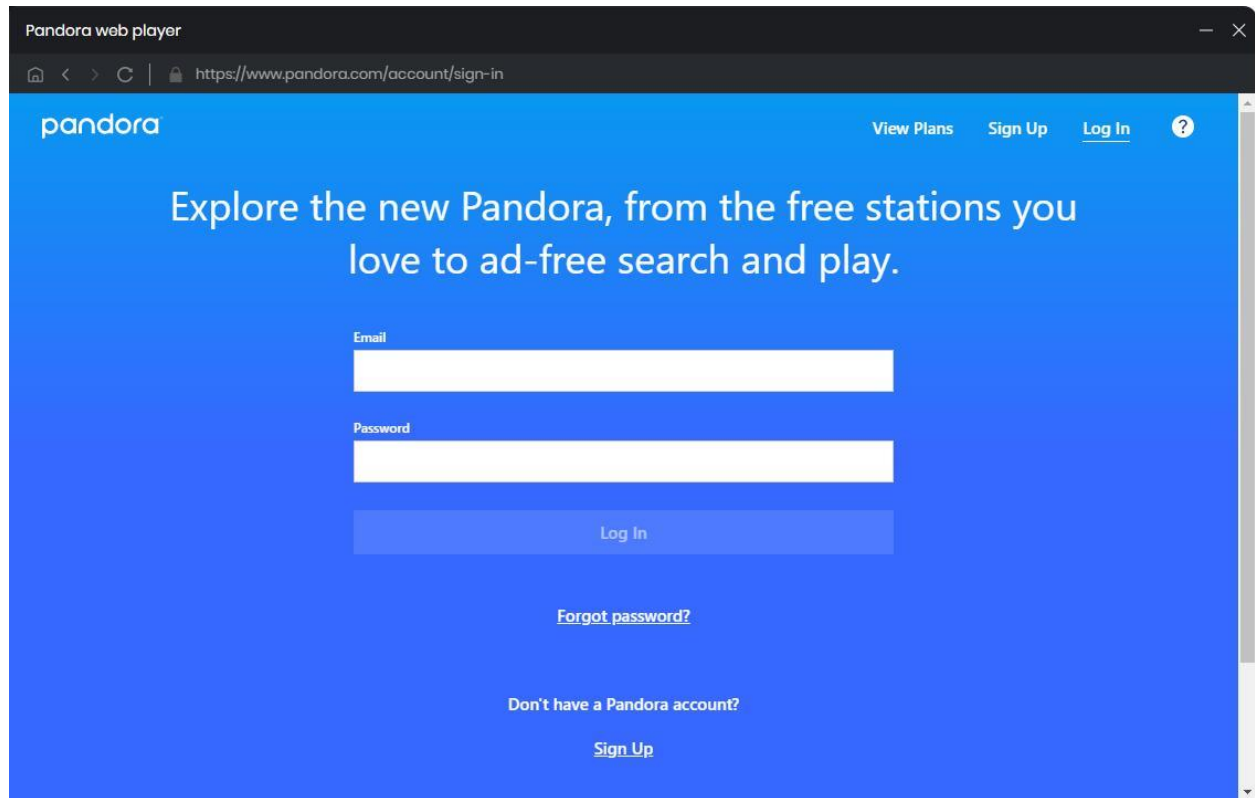

1. Download Macsome Pandora Music Downloader Windows version from [Download Page](#).
2. Double click the installation file **pandora-music-downloader.exe** to install the program.
3. Follow the instruction to finish the installation.
4. Then you will see there is an icon of the program  on the desktop.

## Main Interface

After launching Macsome Pandora Music Downloader on PC, you will see the main interface like this:

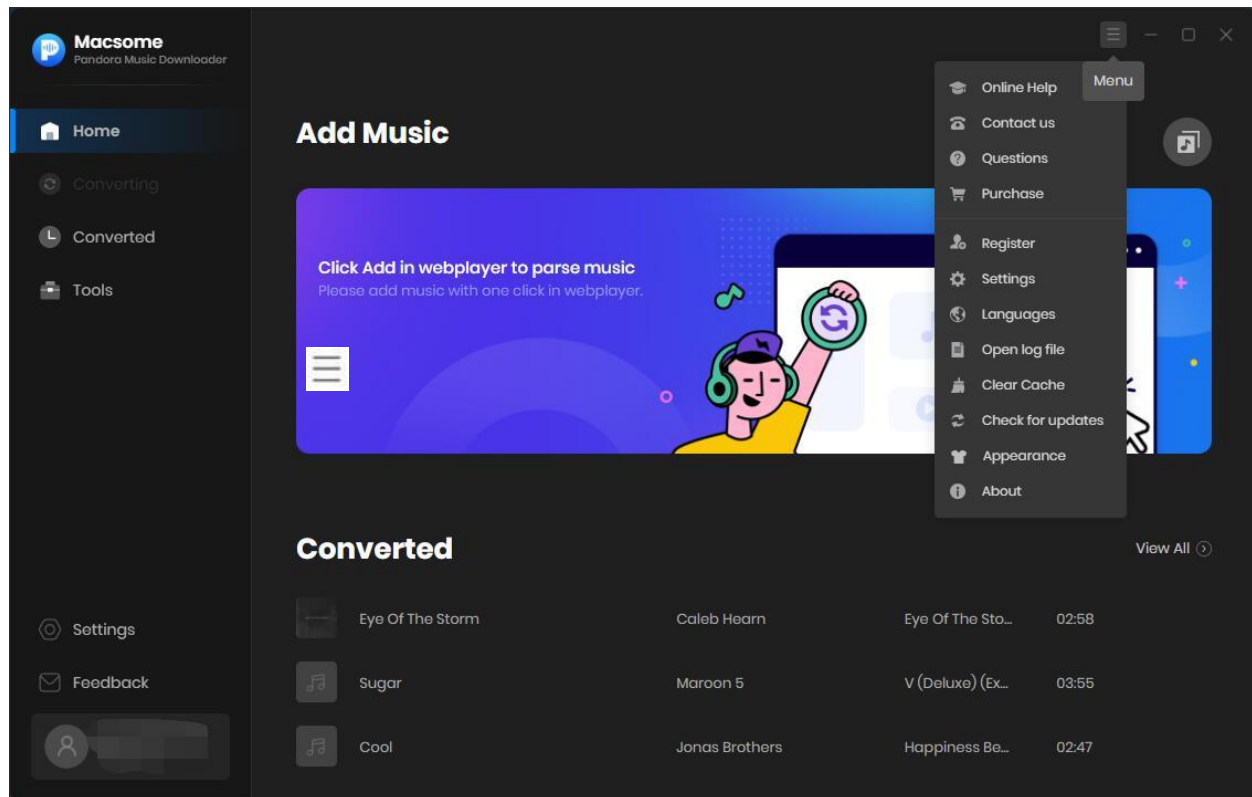

At the same time, the Pandora web player will open at the same time.

## Menu

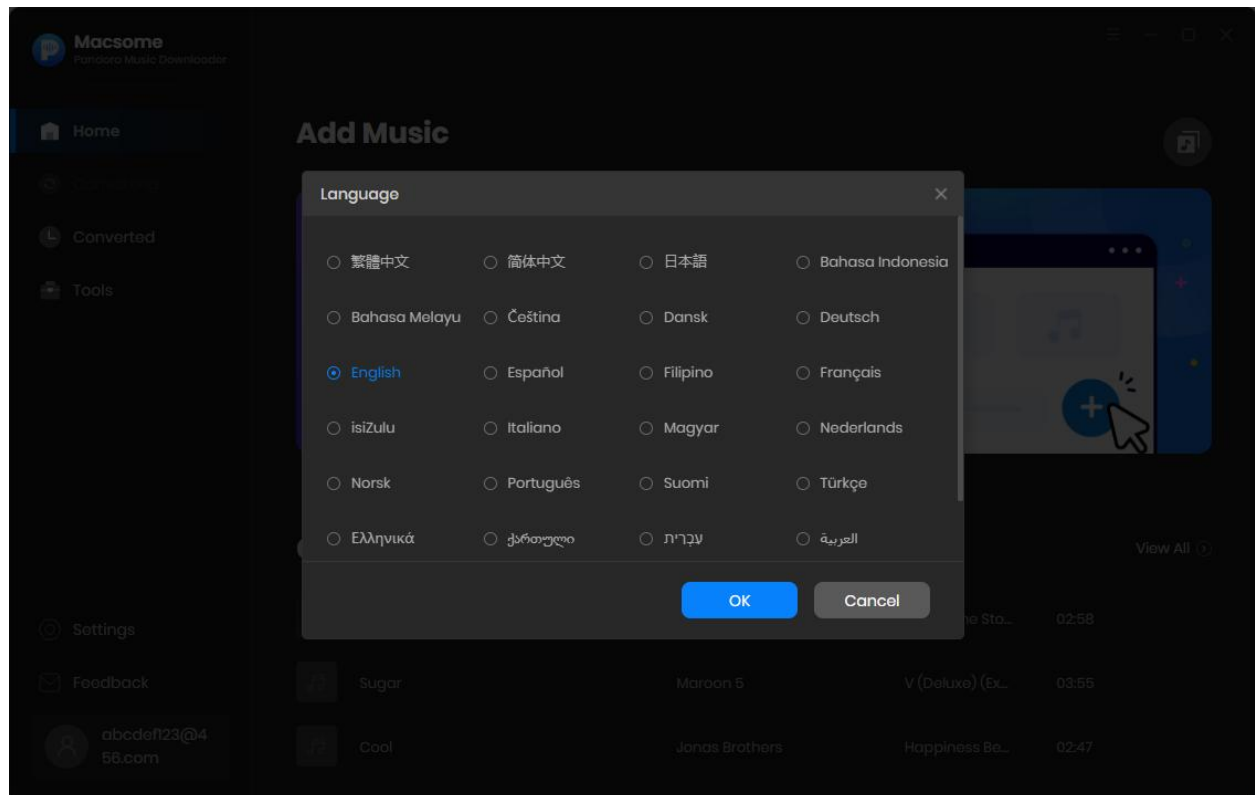

When clicking the menu button, you will see the menu list like this:

## Language Bar

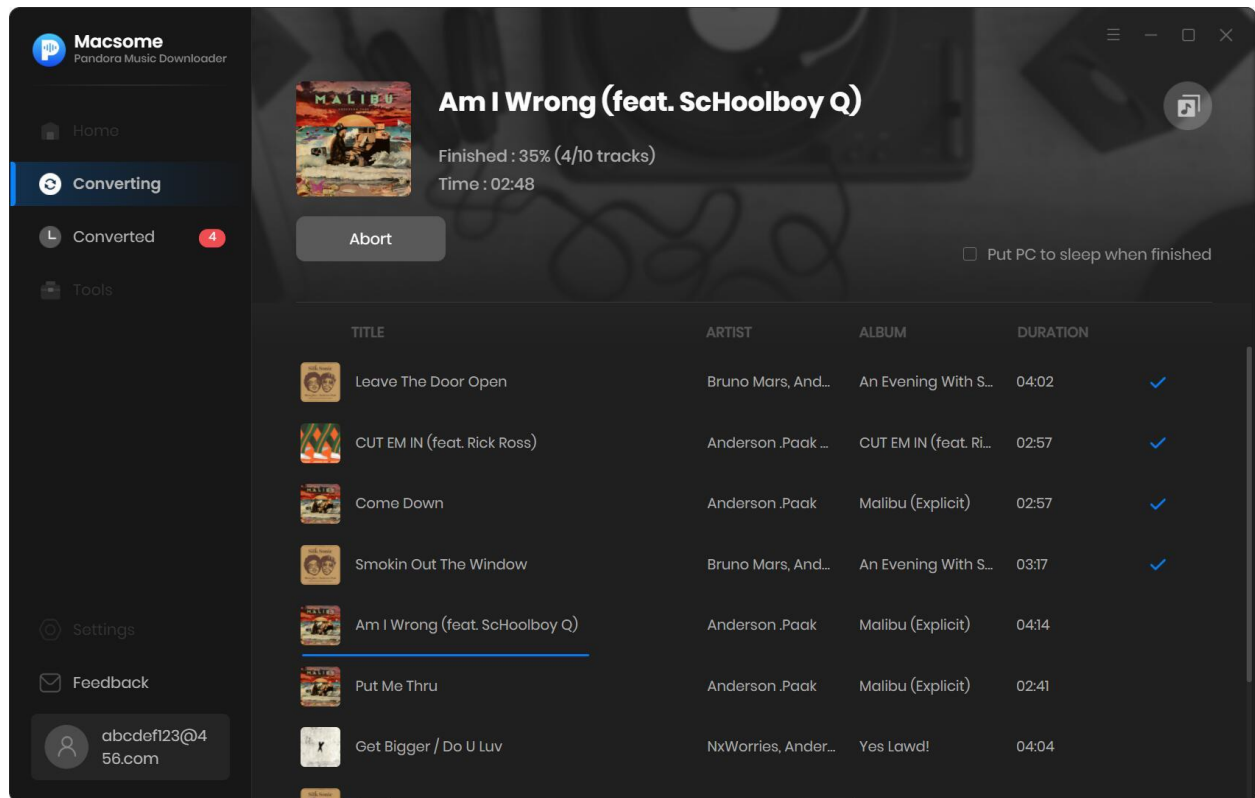

Now, Macsome Pandora Music Downloader supports 25+ languages.

By clicking the **language** button in "Menu", you are able to switch the current language of the Macsome program to another language.

## Converting Interface

After clicking the **Convert** button, you will see the converting interface like this:

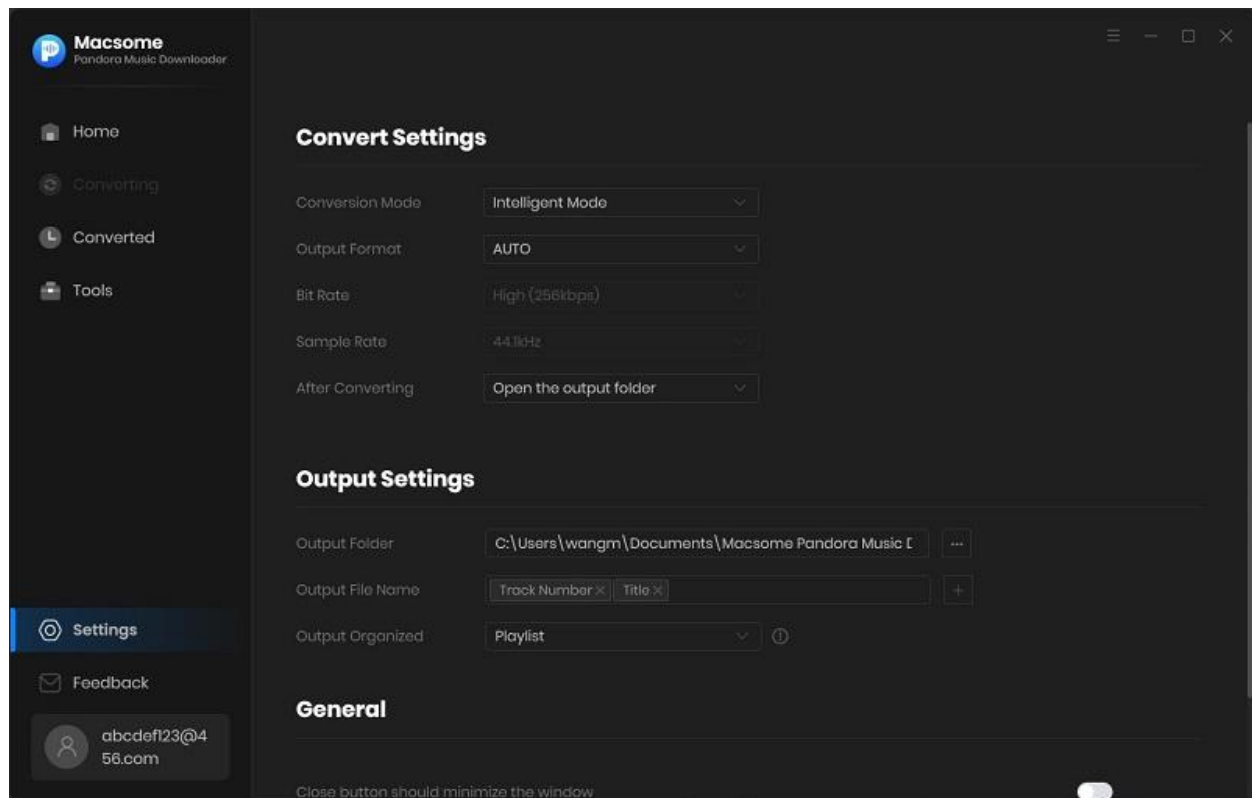

## Tutorials

- Customize Output Settings
- Import Music Files
- Convert Music Files
- Check Conversion History

### Customize Output Settings

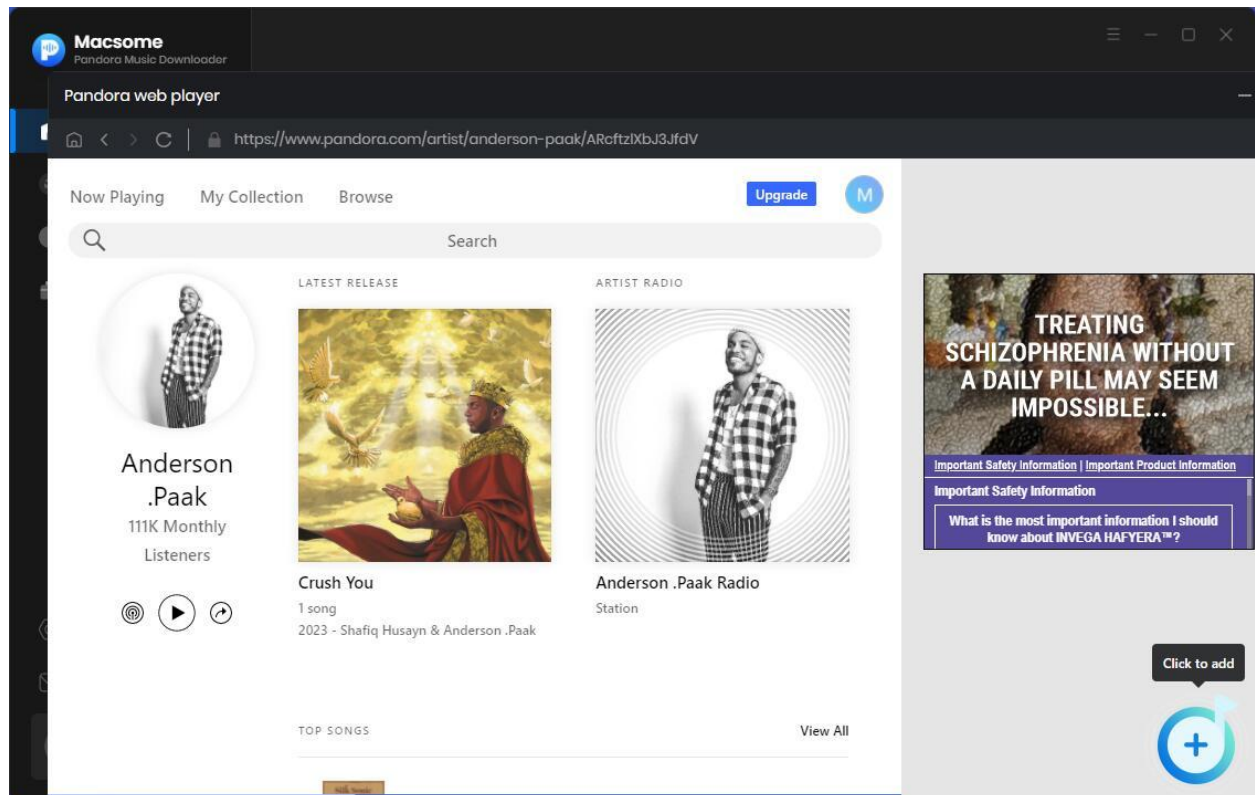

Click the Setting icon on the upper right corner to choose the Output Format (AUTO/MP3/AAC/FLAC/WAV/AIFF/ALAC), the Bit Rate, Sample Rate, and Output Folder. In addition, for better organizing your music library, you can save the output audio files into an organized folder like Artist, Album, Artist/Album, or Album/Artist.

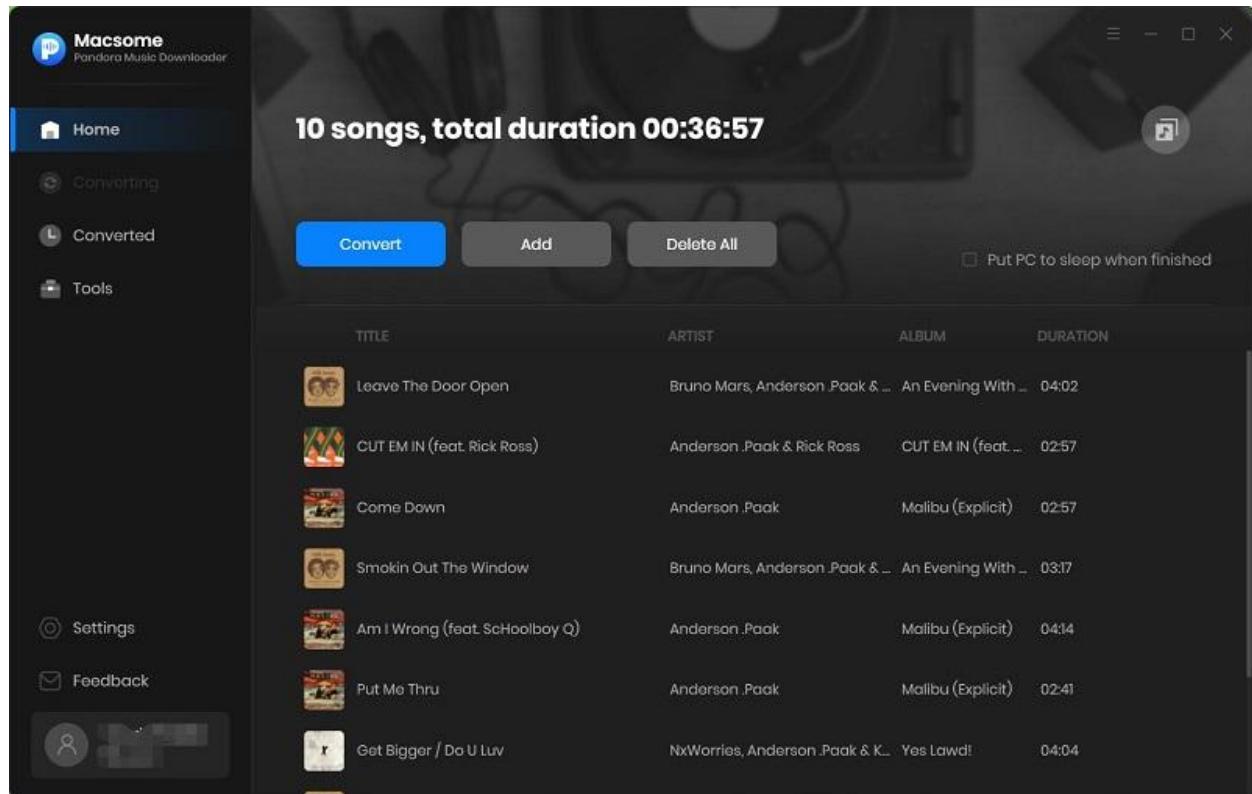

## Import Music Files

Log into your Pandora account, the Pandora Free is also available. Search for the songs in the Pandora web player.

Open a playlist, artist or album, then click on the **“Click to add”** button and load the songs.

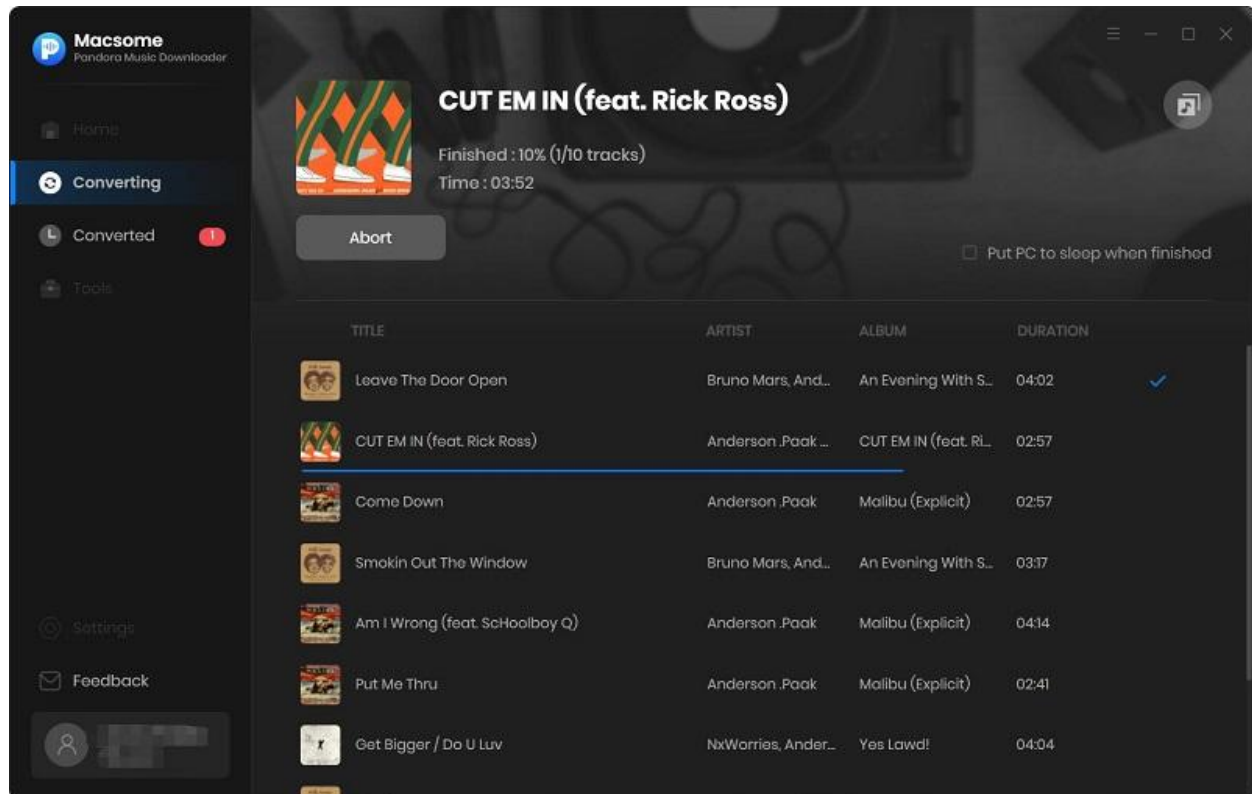

Then you can select the tracks that you'd like to convert from the popup window

## Convert Music Files

After finish customization, just click the **Convert** button to start the converting.

**Tips: Macsome Pandora Music Downloader** supports downloading multiple Pandora Music playlists. Just click the **"Add"** button, you will import more songs from other playlists easily.

## Check Conversion History

Once the conversion is done, you can find the downloaded Pandora Music songs by clicking  on the left or directly going to the output folder you customized in previous step.

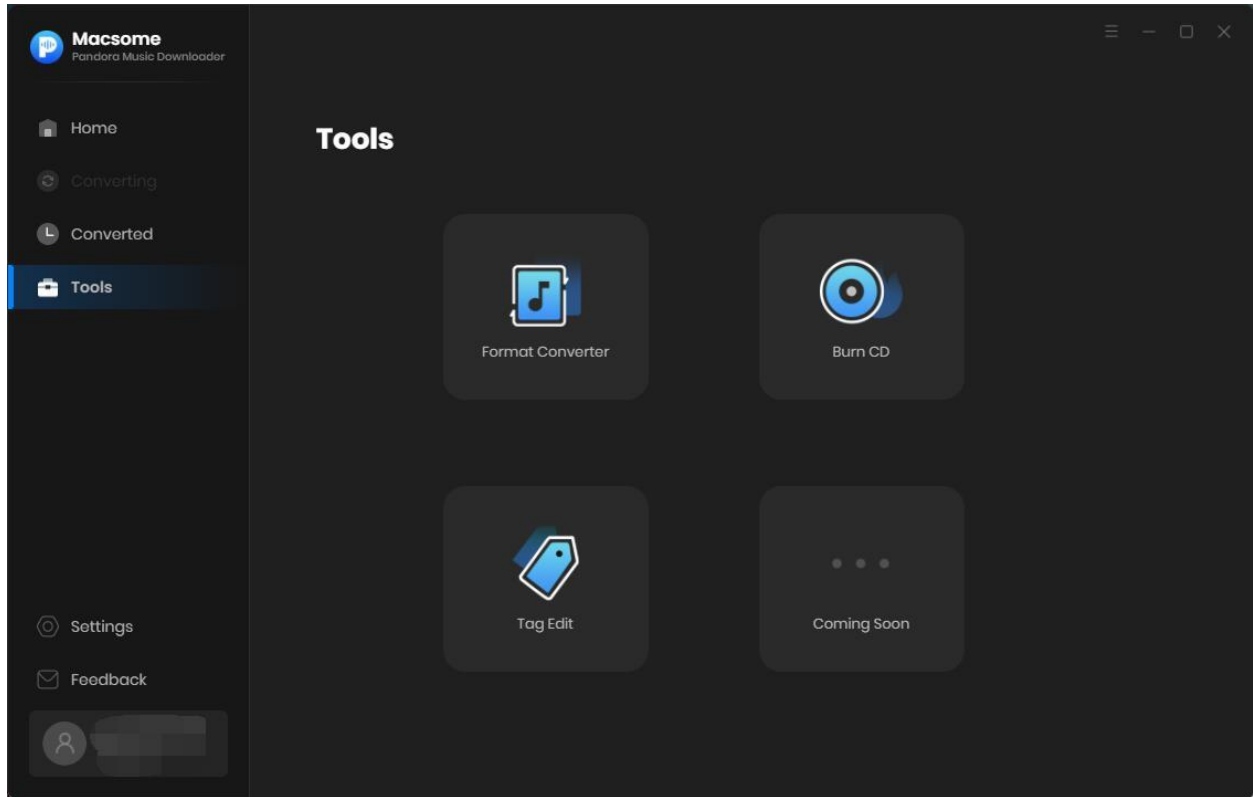

The screenshot shows the Macsome Pandora Music Downloader application. The left sidebar contains navigation options: Home, Converting, **Converted** (selected), Tools, Settings, and Feedback. The main area displays the 'Converted' tab with a list of 10 songs. A search bar at the top right shows '10 song(s), 0 selected.' A 'Show in Windows Explorer' button is visible next to the first song.
